You Matter

"How precious are your thoughts about me, O God. They cannot be numbered. They outnumber the grains of sand." -Psalm 139:17-18a NLT

It is crazy to think that I am so important to the God of the Universe that his thoughts about me outnumber the grains of sand. No one thinks about me more than God. Knowing I am that important and loved is so encouraging.

QUOTES TO INSPIRE

MICHELLE
MCKINNEY
HAMMOND

“So what’s the antidote for loneliness? It’s getting out of self. You’ve heard the phrase “Spread the love?” Well, that’s what you have to do, girl! You’ve got to get busy. Love those who are available to be loved right now!”

JOYCE MEYER

Satan usually deceives people into thinking that the source of their misery or trouble is something other than what it really is. He wants them to think they are unhappy due to what is going on around them (their circumstances), but the misery is actually due to what is going on inside them (their thoughts).

LEVI LUSKO

"I want to show you that God doesn't expect you to be happy about what has been torn from your hands—whether it's a marriage, your health, a job, or someone you love—but if you are willing to trust him, he can turn trash into triumph."

MARGARET FEINBERG

"Sometimes I think that our greatest challenge as followers of God is not having too little information but too much. The Bible makes it clear that God wants us to be able to recognize his voice."
